Dear Mr. Dabelstein:

This letter is to confirm your reception of KID-TV on the night of June 16, 1976. I show a slight discrepancy in time. You indicated you watched a "Mr. Mac" commercial at 8:56 p.m. CDT, and our log indicates that this spot was ran at 7:59:50 p.m. MDT. There is about 4 minutes defference, but I have no doubt that you picked us up briefly at that time.

Thank you for the reception report, and I am sorry we have ran out of KID stations for you to pick up.

I notice you are a HAM Radio Operator. You may be interested to know that I have worked Kansas on 2 meters with 20 watts and a pair of 5 element yogles during skip conditions.

Have a nice day.

Sincerely,

D. Khalil Jones
