

WWL-TV Channel 4
Loyola University - New Orleans, La.

Thank you for your letter of 11/17/60 reporting reception of WWL-TV. Although your reception of our station was caused by an inconsistent condition of the upper atmosphere, we are always happy to hear from viewers wherever they may be.

If you will tune your radio at night to 870 kc, you should be able to receive our clear channel radio station WWL, which can be heard all over the country.
