Dear Mr. Dagerfield:

Many thanks for your letter received February 8th, 1968, indicating reception of KIFN on Monday, February 5th. It was a pleasure to discover that KIFN's "DX Test" was receivable in Pennsylvania.

KIFN is a Spanish language station programming to 180,000 Mexican-Americans in Maricopa, Pinal, and Gila Counties, Arizona. Special programming for the DX test was conducted in English, utilizing normal bilingual I.D.'s.

Sincerely yours,

Jay Murley
