Dear Sir:

Thank you for your letter reporting the reception of KFI programs. We are pleased to learn we are heard so well in Pennsylvania.

KFI, broadcasting continuously since Easter Sunday, 1922, is one of the few clear channel broadcast stations in the United States. We operate on a frequency of 640 kc., with 50,000 watts of power, 24 hours a day, except Monday mornings, when we are off from 12 midnight until 5:15 a.m., Pacific Standard Time.

We enclose our verification stamp.

Yours very truly,

H. M. McDonald,
Operations Supervisor
Engineering Department
