**Dear Sir,**

This is to confirm your reception of our test broadcast of the fifth of Nov. Please excuse the delay in answering your letter. We can offer no excuse, so we will not try to do so.

We will have another test broadcast for the NRC of the morning of the third of March, and we hope you will tune in then, and inform other DXers in your area of our broadcast.

It may interest you to know that Pennsylvania was about the heaviest response of any of the areas that we received letters from. Hope to hear from you again.

Sincerely,
