Dear Sir,

This morning we have just received your second report of November 8th last year as well as a post card for which we thank you.

While enclosing you our QSL-card we take this opportunity of sending you our latest English language transmission for you listening convenience. Enclosed herewith please also find some Korean stamps which may be of interest to you.

Should you have any other particular requirements please write us by return mail. We hope that through our correspondence we would be able to make closer connection between us in the future.

As for the first report you mentioned in your letter, we regret to say that we did not receive it.

Thanking you in advance for your further report, we are

Yours faithfully,

Korean Central Broadcasting
Committee
