Dear Sir:

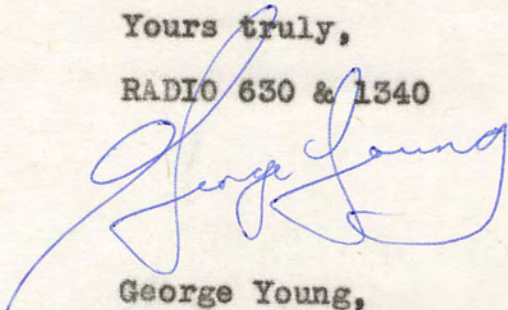

This letter is to confirm the fact that the description of your reception to the special DX Show on C-KAR at 630 & 1340 frequencies was similar to that broadcast on February 4th from 3 - 4 A.M. E.S.T.

May I apologize for my tardiness in answering your request for the confirmation.

I am glad that we are now on your log, and I wish you the best in DX'ing in the future.

Yours truly,

RADIO 630 & 1340

George Young,  
Program Director.
