Dear Sir,

We appreciate very much you sending to us a reception report of our station. Not only were we glad for the report but we were also glad to know that our station even though reception was not as clear as we would like it to have been, is being heard in such distant places as the U. S. A.

All the facts which you have quoted are correct and detailed.

We are always happy to present special DX programmes for your Radio Club and look forward to broadcasting more programmes in the future.

Thanks again for your report.

Very Truly Yours,

Alano Warner
