Dear Mr. Dangerfield,

This will acknowledge with many thanks your letter of November 3rd in which you report good reception of Radio Cayman's test programmes at 1555 kHz on 31st October and again on 3rd November.

From the details you gave, which we have checked with our log, you were certainly listening to this station and we congratulate you on such excellent reception. Radio Cayman does not as yet issue QSL cards but you may take this letter as confirmation of your reception.

We hope you will be able to continue to listen and enjoy Radio Cayman's programmes and that we may have the pleasure of hearing from you again.

Yours sincerely,
