Dear Mr. Dangerfield,

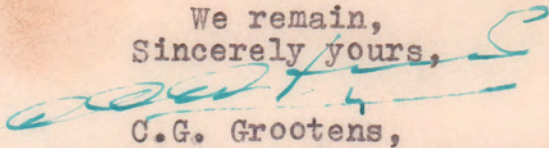

It is a great pleasure for us, to announce you that we have just received your kind letter of november 12th which you report us the perfect reception of our special program in English dedicated to all American-visitors.

We surely hope some day you will be between those ones who visit our island.

You'll be quite welcome at Curacao and of course at our Radio-Station.

Thank you again very much and hoping, that you will go on listening to the Curom Radio-Station.

We remain,
Sincerely yours,

C.G. Grootens,
President of the Curaçaosche
Radio Vereeniging, "CUROM".
