Dear Friends:

Thanks for your DX Report. Sorry that the conditions were not so good. We will try again early in January to see how many others are able to pick up our signal.

We operate daily from 6:00 a.m. to 11:00 p.m. Atlantic Standard Time.

Your report is very much appreciated. It is a pleasure for us to participate in this kind of activities.

Cordially,

  
Ricardo Vega  
Mgr. & Chief Eng.
