

Tirana 6/III/ ,1963

DEAR FRIEND:

With great pleasure we have received your letter and report of reception and thank you very much for writing to us. The data mentioned in your report of reception correspond to our Station log.

Allow us to express to you our full conviction that in the future too you will be our regular listener, by making to us your observations, suggestions and your demands in connection with our broadcasts.

May we remind you that Radio Tirana transmits now daily two broadcasts from 20,00-20,30 and from 21,30 -22,00 hours gmt on the Middlewave length 275 m and on the short wave length 31 and 42,3m.

On the 275 m = 1.088 KHz ← Lecca 3/9/63
On the 31 m = 9.390 KHz
On the 42,3 m = 7.090 KHz

Radio Tirana is always ready to answer your questions about Albania in the course of its broadcasts.

In the meantime we greet you and wish you good health and good listening.

Sincerely Yours
Radio Tirana
Tirana Albania
