Dear friend

We have the honour to acknowledge the receipt of your report of reception and thank you very much for writing to us. The data mentioned in your report of reception correspond to our Station log.

Allow us to express to you dear friend on this occasion our full conviction that in the future too you will be our regular listener, by making at the same time observations, suggestions and your requests in connection with our broadcasts.

We greet and wish you, good health and good listening.

Sincerely Yours
