Dear Sir,

(1)

Thank you for your letters of November 27th and
December 18th. We are sorry about the delay in replying.

(2)

We confirm that it was indeed our broadcasts which
you heard. The programme details agree with what we were
broadcasting on the outlets mentioned in your letter.

You may be interested to learn that we have had a
number of reports from listeners in the U.S.A. who had been
able to hear our broadcasts at about the same time.

As you are no doubt aware, we do not issue QSL cards
for our domestic services, but we are always pleased to hear
from listeners abroad when they have been able to hear our
programmes.

Yours faithfully,

(H.D.P. Bambridge)
