Dear Mr. Dangerfield,

Thank you for your letter of 27th January. We were interested to learn that you were able to receive some of our medium wave transmissions. Propagation conditions appear to be favourable at this time for long-distance medium wave reception as we have received many letters from listeners who have reported receiving our Domestic Services.

It is not possible to determine exactly which transmitter was carrying the programme received but we have pleasure in enclosing our acknowledgement card and some information about our medium wave transmissions which we hope will interest you.

Yours sincerely,

*V. R. Pressman*
