Dear Sir,

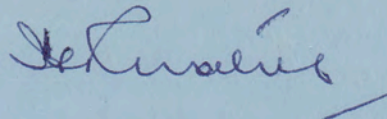

Thank you for your letter of January 8th, which has been passed to the Engineering Division, External Services.

Your report is perfectly correct, 647 Kc/s (464 metres) is used at various times by one of our Daventry transmitters and between 03.45 and 04.15 daily, carries a programme in the Russian language.

You may be interested to know that many reports are, at this time, being received with regard to extremely long distances reception of broadcasting within the Medium wave band.

We have pleasure in enclosing, with this letter, one of our acknowledgment cards and would like to thank you again for your interesting report.

Yours faithfully,

(H. R. Hatch)  
for Senior Superintendent Engineer, External Broadcasting
