Dear Mr. Dangerfield,

Thank you for your letter of 28th December from which we were interested to learn that you receive some of our medium wave outlets in Chester.

We regret that we do not issue full verification of reception but have pleasure in enclosing our acknowledgement card and some information about our Domestic Service transmissions which we hope you will find interesting.

Yours sincerely,

Thank you for your request for verification. The appropriate finding is indicated thus (X):

- Your report was in accordance with our published schedule.
- You probably heard one of our transmissions but the information you give does not entirely confirm this.
- This may have been a rebroadcast of our programme by another organization.
- Your reception does not seem to agree with any of our transmissions at the time you give.

We hope you will continue to enjoy our programmes.

Best wishes from

K. R. Stanley
