U.S.A.

Dear Sir,

Thank you for your letter of 28th January addressed to the Engineer in charge of our Midland Home Service transmitter at Droitwich.

The information you have given agrees with the broadcast we would have been making at the time, and I am very pleased to confirm the reception of our programmes. It is only occasionally that we get reports of long distance reception of our medium wave transmissions, but, although we do not operate a Q.S.L. card service, we are always pleased to confirm the reports when possible.

Yours faithfully,

(H. D. P. Bambridge)
for
Head of Engineering Information Department.
