My dear Sir,

We were very glad to receive your letter and had the great pleasure to know you had been listening on our Radio station on 1043 kilocycles. Indeed we were sending Sunday 10<sup>th</sup> of January 1960 7<sup>10</sup> AM "news" and 7<sup>15</sup> AM "singing in the morning" (women-chorus).

Thank you in advance for your further report. Let us thank you again for your letter.

Sincerely yours
