Dear Mr. Dangerfield,

Thank you for your letter of Nov 3,  
which was delivered to British Forces Broadcasting,  
and then passed on to me !

I can confirm that you did indeed  
hear our transmission and that your program context  
was correct on the day of Nov: 3rd.

Thank you for your interesting letter,  
and I will pass it on to our Head Office in U.K.

Regret we do not have QSL cards as such,

Yours sincerely,

(F.W.How.)  
Chief Engineer.
