TELEGRAM BROADCAST

April 10, 1963

Dear OM:

This confirms your reception of our Home Service transmitter at Falun, operating on 1223 kc/s with a power of 100 kW, on March 30th, 1963, at 0430-0520 Swedish time. The programme details mentioned in your report correspond to those in our programme log. Enclosed please find our verification card. Separately we will send you some information about broadcasting in Sweden that we hope you will find useful in your continued DX listening.

Very truly yours,

Lars Rydén
DX-Editor

Encl.
