Dear Kermit:

This letter is to confirm your description of our programming on April 4. Thank you for your letter. I regret not answering your previous one. We are pleased to know that you receive the same high quality broadcasting that our immediate area receives. We are a new station and take great pride in what we do.

I have a fairly good idea where you are located because I have relatives living in Hazelton, PA. Here are several copies of some local advertising we have been doing this past year.

Cordially,

Tina M. Rowell  
Secretary
