Dear Mr. Geary:

Thank you for your reception report. Your information checks with our logs. We conduct our frequency check the first Monday morning of each month at about the same time. (12:30 A.M. -CST)

We received a report this month from Philadelphia and also one from Cleveland. I'm happy and somewhat surprised to hear from your neighborhood. Our power output is 1Kw as you can see from the letterhead and our primary coverage is shown on the reverse side of this stationary.

KGMR is a new station. We went on the air last August and operate daytime only.

Thanks for your interest and best wishes to you in the future.

Sincerely,

Frank Jenkins,
Chief Engineer
