Dear Kermit;

I checked our log for the morning of Monday 27th of April as reported in your letter and this is to verify that we did conduct a frequency check from 1:00 to 1:15 A.M. as you described.

I was happy to hear that you were able to tune us in again with our new call letters and would like to wish you the best of DX.

Yours truly,

Don Peltz  
Chief Engineer
