NEW ZEALAND BROADCASTING SERVICE,
STATION 4ZB,
P.O. BOX 893,
DUNEDIN.

Mr. Kermit Geary,
R.F.D. No. 2,
Walnutport,
Pennsylvania,
U. S. A.

14th May, 1951

Dear Mr. Geary,

Thank you very much for your friendly and informative letter of 18th April. It was nice to know that our station is heard in the U.S.A.

We people in Dunedin have very pleasant recollections of members of the U.S.N. and other branches of the Armed Forces, during their visits to Dunedin in the War years.

We have verified the items mentioned in your letter so you have conclusive proof that it was 4ZB that you were tuned to. Enclosed with this letter is our Identification Card.

Thank you very much for your kind wishes for our station's future success.

Very truly yours,

(D.G.S. Sheard)
STATION MANAGER, 4ZB
