

Dear Mr. Geary,

Many thanks for your letter of Jan 20th.

This note of mine is to verify your program, which was fed to CHLN by C.B.C. Vancouver.

Our D.K. program on Jan 28th was not so good & not good & reports all coming in thick & fast so if you like I shall send you details later.

Oh by the way what is Walnutport like? it has such an unusual name that I had to ask, I hope you don't mind but being a stranger to Canada, I not knowing a lot about the States I had to ask (sorry).

What are chances for women managers in the USA, you the only woman state manager in Canada & also the youngest manager being 22. (reporting on the back there) but I just wonder what chances one may have in the States? Will you sign off for me?
