Dear Kermit,

Greetings and salutations. Sorry to have kept you waiting so long for the verie.

Finally we received our cards though so her they are signed sealed and delivered.

Yours was a fine report, we're always glad to get the kind you delivered. I'm not sure but I beleive yours was the only one with as concise a comparative on signal strength that we received.

TNX very much and here's wishing you more and better DX's.
