Mr Permit Geary

This is to acknowledge receipt of your report of  
Nov - 8 - 65, and to confirm your  
report of receiving our station on Nov 8-65.

We receive many reports of long distance reception  
of our signal, particularly at this time of year,  
and wish to thank you for writing us.

Very truly yours,

Ray Doane

Ray Doane  
Chief Engineer  
KDKO Radio

Thanks for your report and its detail. -  
KDKO was entirely destroyed by flood in  
June 16-1965 - and this was first real  
test of entirely new transmitter plant  
from ground system to transmitter
