WILL M. THOMAS
Technician

Alamosa, Colorado

2/17/34

The staff of KGIW wishes to thank you for your communication acknowledging reception of our programs. The numbers you list correspond in every detail with our records. Our only method of knowing how our station is being heard is by the letters received from listeners who are kind enough to write us.

We hope you will be able to hear KGIW often and again assure you of our sincere appreciation of your co-operation.

Very truly yours,

K - G - I - W
