Dear Mr. Geary,

This letter confirms that you did receive our signal on Tuesday, February 18, 1986 at 5:44 p.m. I'm pleased to see that we carry that far.

I've been a fan of radio for many years, and have "D.X. ed" on what you might call an amateur basis for many years, but I've never been aware of an organization devoted to this pursuit. What is the National Radio Club? How many members does it have, and what qualifies a person for membership?

I'd love to hear more about your organization.

Sincerely,

Mike Dowling  
Program Director
