R.F.D.No. 2,  
WALNUTPORT  
Pennsylvania - U.S.A.

Dear Sir,

Many thanks for your splendid report of reception on our station Brussels II (Flemish National transmissions).

It is very pleasant to know that you could hear this station and that it was so clear. Of course, we do realise that this is not always so, as medium waves from Brussels can only reach you in Pennsylvania in exceptional good conditions.

I am glad to say that your description of our program is quite correct.

I thank you for your kind letter and hope that you may hear our program very often. In the meantime I wish you all the best.

Yours sincerely,

The Head of the  
Foreign Relations Service,

M. SWAENEPOEL
