Dear Sir,

We were very pleased to note the contents of yours from December 1953 and are greatly obliged for all informations you have given to us. We ought to have answered long ago your kind letter and we only hope that you won't be very angry with us and excuse the delay in answering your letter.

You have also really received our medium-wave broadcasting station BRNO on 953 kilocycles (314.8 meters) with programme you have written about. We are very pleased to hear that and can only congratulate you for such a good reception.

In case, you'd receive our programme, please, let us know about it.

We appreciate your kind attention very much and wish you also all best in Year 1954.

Looking for good news from you, very sincerely
yours
