

ČESKOSLOVENSKÝ ROZHLAS

January 8th, 1955.

Mr. Kermit Geary,
R.F.D. No. 2,
Walnutport,
Pennsylvania.

Dear Mr. Geary,

We have received your letter of December 17th, and want to thank you very much for our detailed report on the reception of Radio Prague I. We are enclosing a verification card for your files.

We also thank you very much for your kind wishes. Permit us to extend to you and yours the best wishes of Radio Prague for the New Year, and may it be a peaceful one.

May we take this opportunity to inform you that Radio Prague also has shortwave broadcasts beamed to North America. We are enclosing a program schedule. We hope that you will be listening in to us and would be very grateful to have your criticism and suggestions for our programs. We are, of course, anxious to have our programs constantly improve and meet more fully the interest of our listeners. Could we ask you to give a more or less detailed criticism of one specific program. Let us know what program you heard, and your reaction to it along these lines: Did you think the news was too long, or too short, interesting, timely; was the material on Czechoslovakia clear, did it give a good picture of some aspect of our life; was our editorial timely, was its point well made, did you think it too general or too detailed; did you like the music, was there enough or too much of it. Any other points you want to mention will be gratefully received. We hope that this would not be too much trouble.

We are forwarding you under separate cover a copy of the magazine CZECHOSLOVAK LIFE, which we hope you will find interesting. If there is any information or material on Czechoslovakia that you would like, we shall be glad to forward it to you upon request.

We look forward to hearing from you again soon.

Sincerely yours,

Foreign Language Broadcasts.
