Dear Mr. Geary,

Very many thanks for your letter and reception report of December 20th.

We are very glad to hear that your reception of Radio London was so good on that date and hope that you will continue to listen to Big L.

We have had quite a few reception reports from the States lately and from places even further afield.

Thank you very much for your good wishes. Radio London now has well over ten million listeners in this country alone and hopes to be on the air for a very long time to come.

Enclosed is a picture of the ship which you may like to have, also a QSL card to confirm your reception report.

Yours sincerely,

Margaret Greville.
