Dear Mr Geary:

This unit operates the British Forces
Network.

Thank you for your letter of 7th December.
Your report of the transmission on 658 kcs is correct. It is
very gratifying to know that the station is so well received.

It is situated on the coast approximately
40 miles due north of Emden and operates on an RF power of
100KW. (The studios are in Hamburg).

Your international reply coupon is not
required so I have pleasure in returning it herewith.

*Yours sincerely,
J. McMillan*
