Dear Mr. Geary,

we acknowledge receipt of your letter December 31st 1953 and thank you very much for your really interesting informations about hearing one of our stations on 1484 kc/s (202).

You will find annexed a QSL-card for the transmissions heard.

All details given in your above mentioned letter are of a high value for our work.

We are enclosing two lists with all broadcast-stations in West-Germany, specifying the frequencies. The stations of the Bayerischer Rundfunk are on the top of these lists with all details you required.

We hope also to enjoy you specially sending you annexed some publications titled : "BAYERNLAND" and containing description of the Bayerischer Rundfunk.

Yours faithfully
