Dear Mr. Geary:

Many thanks for your detailed reception report. I am very happy to hear that you were able to receive our medium wave so clearly in your part of the United States. I have confirmed your report with our Q.S.L. card some time ago and I hope you have received it.

I should like to inform you that we transmit an English language broadcast to North America twice daily, at 7:30 and 11 P.M. Eastern Standard Time on the 30.5, 41.5 and 48 metrebands, that is, 9.8, 7.2 and 6.2 megacycles respectively. I hope you will listen in to our broadcasts and write to us your opinion of them.

Our staff thanks you heartily for your good wishes. Hoping to hear from you again soon, I remain for peace and friendship between our two countries,

Yours faithfully,

Irma Rudnay
