Dear Mr. Geary,

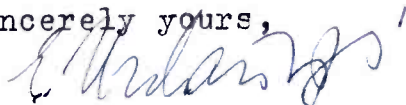

Thank you for your letter giving a detailed report on reception of one of our Medium-wave broadcasts from Warsaw on December 17, 1962. The frequency had originally been assigned to the Kraków Station, but was recently changed to the Warsaw home station.

We are very pleased to hear from you again and enclose a QSL card in verification of your report as well as our programme schedule.

Under separate cover we are sending you some literature about Poland. If you have any questions about some specific aspect of life in Poland, we will be glad to answer them.

Thank you for your good wishes and we too wish you all the best and look forward to hearing from you again in the coming months.

Sincerely yours,

Director.
