Dear Sir

Thank you very much for your letter of  
October 21 th.

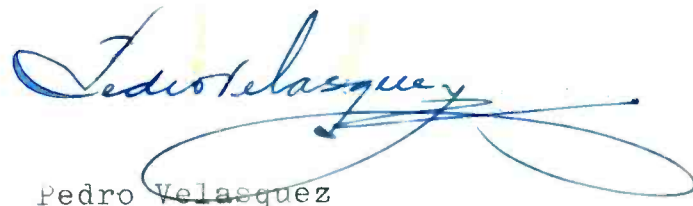

I am glad to hear from you that you were  
able to receive our station.

I checked your reception against our  
records so that there is no doubt that it was C S B 5,  
working on 1.578 K Hz you were receiving.

We work with an Emitter Collins, 21 M, 10  
Kw on the aerial since 0800 up to 0100 (GMT) in the  
following day.

Wishing you all the best, I am,

Sincerely yours,
