Dear Mr Geary,

Although your letter was answered by Father Lars Rooth on our last "Letter-Box" program, it then got mislaid. We are very sorry about this.

I am now sending you the QSL card you requested and the December bulletin, which will anyway give the frequencies used by Vatican Radio! Unfortunately the next issue will be published in March, owing to a change of format.

We apologize for the delay, and many thanks also for the post-card!  
Best wishes from all at the English section!

Yours sincerely,
