Dear <u>Kermit</u>,

We have had the Pleasure of receiving Your reception rePort 29.th of March 1988

There are main carakteristics of our Programme. Radio Prishtina transmittes the first Programme on medium wave frequency range every day from 05 AM ti 24 PM hours,fridays and saturdays non-stop in frequency 1413 kHz. The Programme is transmitted in three languages:Albanian,Serbocroatisch and Turkisch,mostely in Albanian.The structure of Programme is of carakter:informations (news from Kosova,Yugoslavia and world),educational Programme and cultural entertainal. The Programme is mostely the expression of socialist autonome Province of Kosova. We hope that these informations will be sufficently enough to verify your reception report.

We would like to continue our coorPoration in this manner with great thanks.

Take the best 73 and 900d luck on DX,

Your faithfully

Frishtine 31.03.1988
