Dear Mr. Geary:

Thank you for your letter of February 28th.

I can confirm your reception of WINZ based on your reception report. Also thanks for the kind remarks.

At the time you were listening we were operating in our 50kw Day Pattern on a continental 317-c2 transmitter.

Enclosed please find polar plots of both WINZ patterns.

Again thanks for the kind words and keep DX'ing.

Sincerely,
