Dear Mr. Geary:

Thank you very much for your reception report of February 19, 1952. Your report checks with our log for that date and we are happy to confirm your entire schedual.

Most of the reception reports that we receive have been through the Pennsylvania and New York area. This seems rather odd, however it may be that the listening at that hour is not done in other sections of the country.

You may be interested in knowing that our continuity writer, Mrs. Dottie Smouse, is a native of Williamsport, Pennsylvania.

With good listening in the future, I remain

Yours very truly,

G. Max Kimbrel
