Dear Kermit,

Thank you for your letter dated February 11, 1992.

This is to confirm your reception of WWBH on 1550 kiloHertz on Monday morning February 10th.

Our night time power is 84 watts.

We are glad that you enjoyed our stations' format. It was the best thing we could have done. The listeners in our small town really like the change from the "oldies" which seem to be popping up on all the FM's around here.

Again, congratulations on finding us, and keep listening!

Sincerely,

Debbie Belz
Operations Manager
