Mr. Kermit Geary
R.F.D. # 2
Walnutport, Penna.

Dear Mr. Geary:

I received your letter of October 21, this morning, and was indeed glad to get your DX report. It is always a thrill for me to get these reports from "far off places" like Penna, and New York. Since our opening on June 21 '51 I have received several of these reports and I take pride in my files on them.

I have compared the data which you have listed on your report with our station log of that day and find them to agree. I am glad to verify your reception of WACL in Waycross, Ga. on 570 KC.

I hope that in the future you will again hear WACL. On the behalf of the staff and myself I want to wish you the best of luck and success in the future.

Very truly yours,

Becky Bellamy
