Mr. Kermit Geary

Dear Mr. Geary:

This is to confirm your reception of WGAF on Wednesday, December 10, 1952, between 2:19 AM and 3:02½ AM. We operate on 910 kc, 5000 watts day and night, but with directional antenna at night.

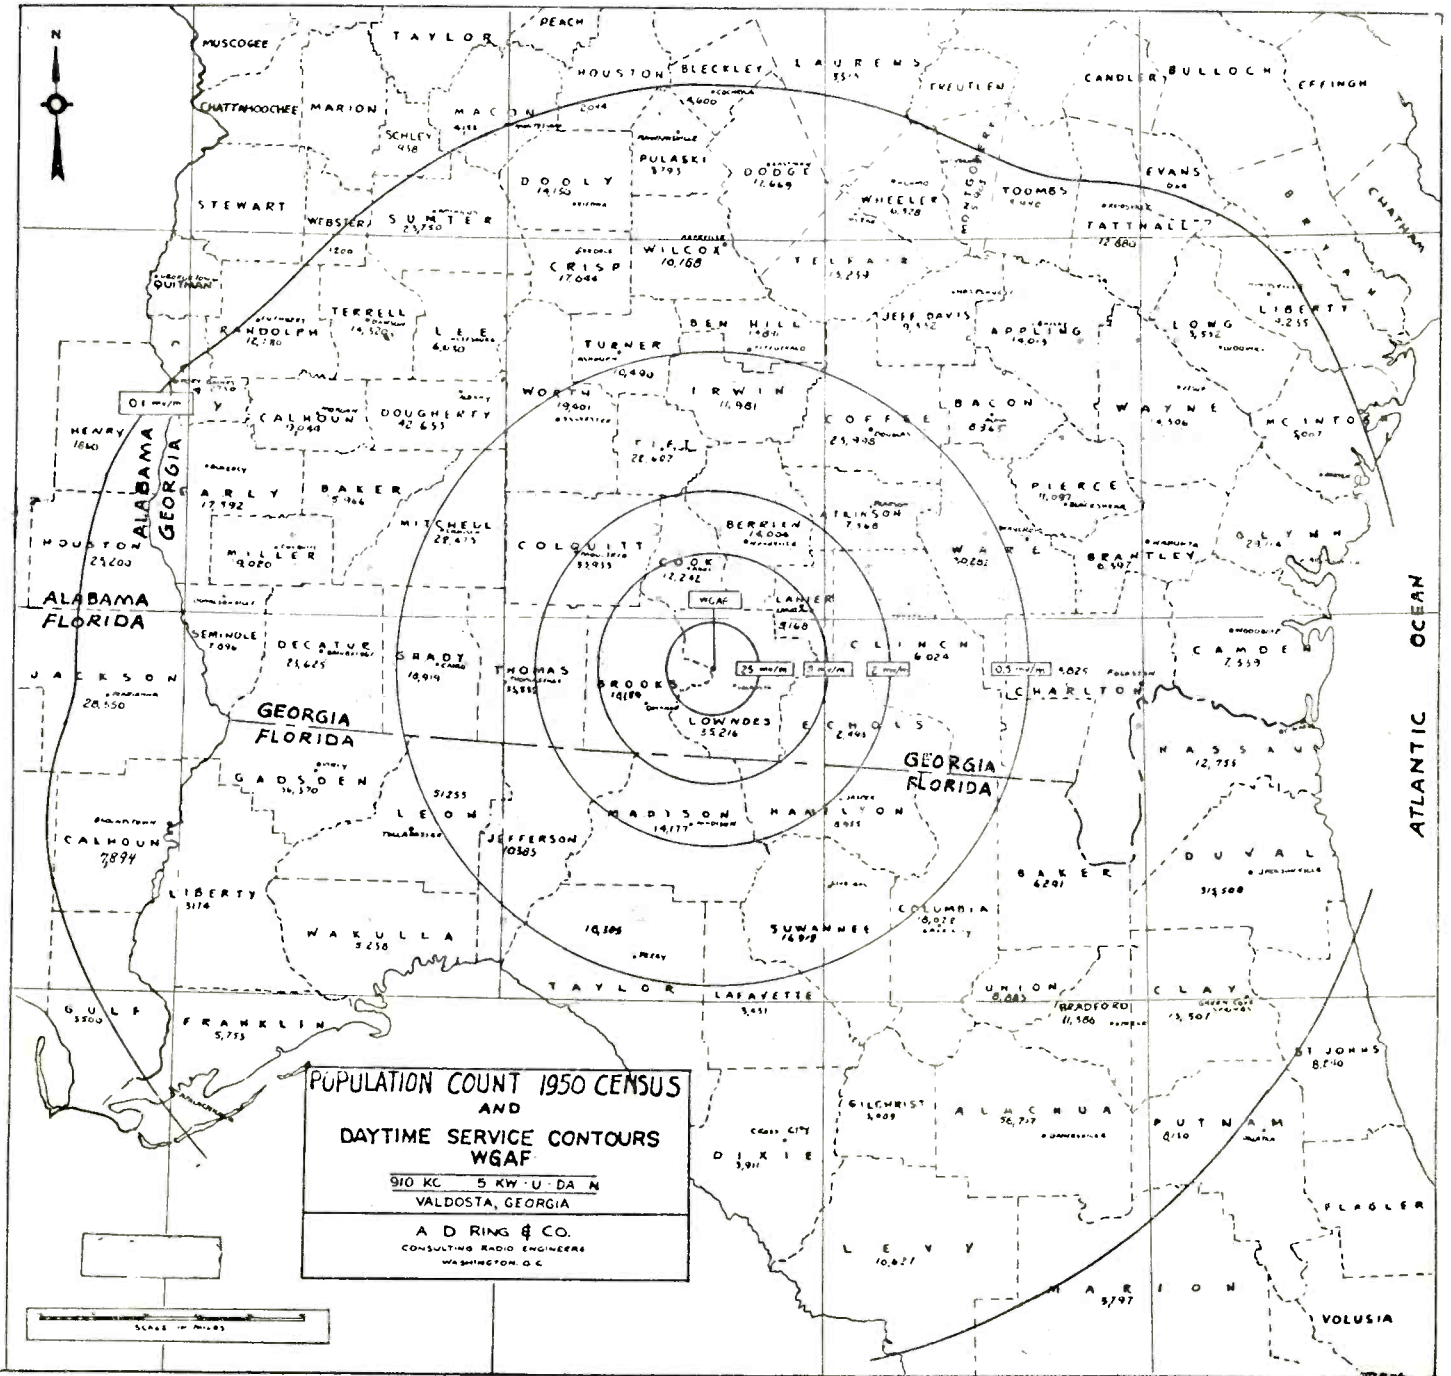

When I became Chief Engineer last year, I found your letter unanswered so this reply will probably surprise you,

Very truly yours,

  
Ernest W. Green,  
Chief Engineer,
