12/16/90

Dear Mr. Geary,

I am writing in response to your letter to our radio station (WQCH). I thought this might be the only response you might receive since our General Manager is usually too "busy" to take time to do these things. Your letter was on the counter in the lobby and I figured he'd probably just "file" it like he usually does. One person wrote recently asking for a station profile and said it was the third time he had written and enclosed return postage but had not yet received a reply.

I am the announcer you heard on 11/29/90. I was rather surprised and thrilled to be heard so far away. We recently acquired a new Harris 5000 Watt AM Transmitter and that may have helped us reach that far. At 5:30pm each day, the FCC requires us to switch to 75 Watts to prevent interference.

You were pretty much "dead-on" with our programming except for a couple of items. I have no knowledge of an 'Interfaith Bible' (5:19'14); we have a Causby Food-Mercury but no Tate Ford-Merc.; also there is no 'Sherritt's Pharmacy' and we have not had a live broadcast from North Main Street, except from 'Goody's Family Clothing' - which I believe was on the 29<sup>th</sup>. A few of the other items may have

been from interference from the other station  
you mentioned.

Our News Director is Joan Butler, in regard  
to your very nice compliment concerning the stories.  
I was only the announcer, but I hope I didn't sound  
too "Country" since I was born and raised here in  
Lafayette (pronounced Luh-FAY-Uht).

I am enclosing some information about WQCH and the  
area, along with a bumper sticker.

Thank you for such a nice letter and I wish  
you and yours a Merry Christmas!

Sincerely,  
Mickey McConnell
