Dear Mr. Geary:

This will confirm your reception report of Radio Station WUFE on December 18, 1980. The information which you supplied in your report was 100% correct and your comments on our signal quality were very much appreciated.

Our transmitting equipment includes a Harris MW-5 transmitter using pulse duration modulation running to a quarter wavelength, series fed, tower.

Again, thank you for your report and best wishes on the upcoming new year.

Sincerely,

Larry D. Ring
Chief Engineer
