Dear Mr. Geary:

I wish to acknowledge your letter reporting your reception of WGRY in Walnutport, for our special DX Test Program conducted early Sunday morning, January 18th.

I wish to apologize for the delay in verification of your report, but we received such an abundance of mail, it has been difficult in answering each and every one promptly. With a limited staff, it has taken us longer than anticipated, and I did want to answer each one personally.

Thank your for your helpful, detailed report.

Very truly yours,

George M. Whitney
