Dear Sir:

It made us all here at WOCH feel good to hear from you and to know that our Signal was being heard so far away. It was very kind and thoughtful of you to write.

It would be our good pleasure to have you pay us a visit at WOCH when vacation or other occasion brings you this way.

We were authorized for daytime program test January 8.

We are sorry for the delay in acknowledging your letter.

Again, I will say, "We were thrilled to hear from you."
